Kanawha County Justifications

FFY	FUND	PHASE	NAME	GUIDING STATEMENT
2021	HSIP	CON	Charleston Bike Signals	Safety and Security: Improves safety for bicycle travelers. Mobility and Accessibility: By improving safety conditions for cyclists, greater mobility of the traffic system can be achieved by encouraging more alternative travel modes. Culture & Environment: Promotes pollution-free travel.
2021	HSIP	CON	Greenbrier St and Kanawha Blvd	Economic Vitality: Improves pedestrian walkability conditions at an economic activity and culturally dense location and improves connectivity to the Kanawha Boulevard River Trail. Mobility & Accessibility: Improves pedestrian walkability conditions at a location that improves connectivity to the Kanawha Boulevard River Trail. Safety & Security: Improves safety conditions for pedestrian travelers.
2021	NHPP	CON	Carter BR - Brooks St I/C (Split funded)	System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2021	NHPP	CON	I-77 Belle Ramp Over US 60	System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2021	NHPP	CON ROW	I-77 Belle Ramp Over Piedmont & RR	System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2021	NHPP	CON	Davis Creek - Oakwood	Safety and Security: Resurfacing the roadway will provide drivers greater control of their vehicles by reducing the likelihood their vehicle will come in contact with a pothole or other road surface deformity. System Preservation & Efficiency: Resurfacing this roadway serves as a preservation tool.
2021	NHPP	CON	Westmoreland Traffic Signals	Safety & Security: Seeks to reduce the likelihood of a collision by controlling vehicle movements through improved traffic signalization.
2024	NHPP	CON	Tuppers Creek - Pocatalico	Safety & Security: Resurfacing the roadway will provide drivers greater control of their vehicles by reducing the likelihood their vehicle will come in contact with a pothole or other road surface deformity. System Preservation & Efficiency: Resurfacing this roadway serves as a preservation tool.
2025	NHPP	CON	Access Rd - Willis Creek	Safety & Security: Resurfacing the roadway will provide drivers greater control of their vehicles by reducing the likelihood their vehicle will come in contact with a pothole or other road surface deformity. System Preservation & Efficiency: Resurfacing this roadway serves as a preservation tool.
2021	NHPP-EXE	CON	Carter BR - Brooks St I/C (Split funded)	System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2023	NRT	CON	Hatfield-McCoy-Kanawha Co. Trail	Culture & Environment: Promotes cultural activities in the region through the construction of a new recreational trail. Economic Vitality: Draws economic activity to the region through the expansion of cultural activities. Land Use & Transportation Integration: Invests in recreation with minimal land use.
2022	NRT	ENG	Hatfield-McCoy-Kanawha Co. Trailhead	Culture & Environment: Promotes cultural activities in the region through the construction of a new recreational trailhead. Economic Vitality: Draws economic activity to the region through the expansion of cultural activities. Land Use & Transportation Integration: Invests in recreation with minimal land use.
2023	NRT	CON	Hatfield-McCoy-Kanawha Co. Trailhead	Culture & Environment: Promotes cultural activities in the region through the construction of a new recreational trailhead. Economic Vitality: Draws economic activity to the region through the expansion of cultural activities. Land Use & Transportation Integration: Invests in recreation with minimal land use.
2021	OTHER	CON	Montrose - Oakwood (Garvee 2019)	System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2022	OTHER	CON	PFC William Floyd Harrison Memorial BR (TPK Bond)	Culture & Environment: Presevres a bridge that is culturally significant and honors the memory of William Floyd Harrison. System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2023	OTHER	CON	WV 622 - Cross Lanes (GO Bond)	Economic Vitality: This project seeks to reduce travel times. System Preservation & Efficiency: This project seeks to optimize already existing infrastructure for motor vehicle use.
2021	OTHER	CON	RHL BLVD CONN	System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2021	OTHER	CON	Sanderson Bridge (GO Bond 2/3)	System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2021	OTHER	CON	Thorofare Road Bridge (GO Bond 2/3)	System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2021	STP	CON	Davis Creek Bridge +3	System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2021	STP	CON	Jerry Alan Jones Memorial BR	Culture & Environment: Preserves a culturally and regionally significant bridge that honors the memory of Jerry Alan Jones. System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2021	STP	CON	Tornado BR O/L	System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2021	STP	CON	WV 817 Drainage	System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2022	STP	CON	WVSP Sgt. Harold E. Dailey Bridge	Culture & Environment: Preserves a culturally and regionally significant bridge that honors the memory of Sgt. Harold E. Dailey. System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2021	STP	ROW	WVSP Sgt. Harold E. Dailey Bridge	Culture & Environment: Preserves a culturally and regionally significant bridge that honors the memory of Sgt. Harold E. Dailey. System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2025	STP	ENG	Rocky Fork Channel Beam	System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2025	STP	ROW	Rocky Fork Channel Beam	System Preservation & Efficiency: Preserves a critical element of the existing transportation network.

Kanawha County Justifications				
2021	TAP	ENG	Charleston Quarrier & VA St Bike Trail	Safety & Security: Reduces the likelihood of a vehicle collision with a cyclist by separating vehicle traffic from the cyclists lane of travel. Economic Vitality: Expands the intermodal network and allowing for increased volume and greater safety of cyclist traffic that has a limited increased impact on congestion. Culture and Environment: Promotes a culture of safe bicycle travel independent from traffic lanes and therefore promotes pollution-free travel. Mobility & Accessibility: Expands the regional cyclist network.
2021	TAP	CON	Charleston Sidewalks South	Mobility & Accessibility: Improves accessibility of roadways near a school and residential area of Charleston. Safety & Security: Serves to separate and protect pedestrian travelers from motor vehicle traffic.
2021	TAP	ROW	Charleston Washington St W Streetscape 2012	Economic Vitality: Improves walkability at an economically distressed location of Kanawha County that hosts many businesses. Mobility & Accessibility: Creates an accessible pedestrian public right of way. Safety & Security: Serves to separate and protect pedestrian travelers from motor vehicle traffic.
2021	TAP	CON	Charleston Washington St W Streetscape 2012	Economic Vitality: Improves walkability at an economically distressed location of Kanawha County that hosts many businesses. Mobility & Accessibility: Creates an accessible pedestrian public right of way. Safety & Security: Serves to separate and protect pedestrian travelers from motor vehicle traffic.
2021	TAP	CON	Dunbar 12th St Streetscape	Mobility & Accessibility: Improves the accessibility of sidewalk conditions along a street that provides access to major government services. Safety & Security: Serves to separate and protect pedestrian travelers from motor vehicle traffic with wide and smooth surfaces.
2021	TAP	CON	Dunbar 12th St Streetscape 2014	Mobility & Accessibility: Improves the accessibility of sidewalk conditions along a street that provides access to major government services. Safety & Security: Serves to separate and protect pedestrian travelers from motor vehicle traffic with wide and smooth surfaces.
2021	TAP	CON	St. Albans Streetscape 2014	Economic Vitality: Improves walkability in a business and government services hotspot. Mobility & Accessibility: Improves accessibility of roadways by creating a public right of way. Safety & Security: Serves to separate and protect pedestrian travelers from motor vehicle traffic.
2021	TAP	CON	St. Albans "C" Street	Mobility & Accessibility: Upgrades infrastructure for improved walkability for pedestrians including persons with disabilities. Safety & Security: Serves to separate and protect pedestrian travelers from motor vehicle traffic. Culture & Environment: Promotes pollution-free travel.
2021	NHPP	ENG	2nd Lt Theodore R Woo Mem Br	System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2021	NHPP	CON	Belle-Diamond Traffic Signals +3	Safety & Security: Seeks to reduce the likelihood of a collision by controlling vehicle movements through improved traffic signalization. System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2021	OTHER	CON	Blue Creek Rd (Go Bond 2/3)	System Preservation & Efficiency: Preserves a critical element of the existing transportation network. Safety & Security: Protects vehicles and drivers by preventing slides.
2021	STP	CON	Dry Branch Bridge	System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2021	STP	ENG	Dunbar Toll Bridge	System Preservation & Efficiency: Seeks to study how this element can preserva a critical element of the existing transportation network.
2022	STP	CON	First Ave Nitro Traffic Signals +4	Safety & Security: Seeks to reduce the likelihood of a collision by controlling vehicle movements through improved traffic signalization. System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2021	NHPP	CON	Frame Road Traffic Signals +2	Safety & Security: Seeks to reduce the likelihood of a collision by controlling vehicle movements through improved traffic signalization. System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2023	NHPP	CON	Institute - Nitro	Safety and Security: Resurfacing the roadway will provide drivers greater control of their vehicles by reducing the likelihood their vehicle will come in contact with a pothole or other road surface deformity. System Preservation & Efficiency: Resurfacing this roadway serves as a preservation tool.
2025	NHPP	CON	Lincoln Co Ln - WV 214	Safety and Security: Resurfacing the roadway will provide drivers greater control of their vehicles by reducing the likelihood their vehicle will come in contact with a pothole or other road surface deformity. System Preservation & Efficiency: Resurfacing this roadway serves as a preservation tool.
2022	NHPP	CON	Oakwood Rd - WV 61	Safety and Security: Resurfacing the roadway will provide drivers greater control of their vehicles by reducing the likelihood their vehicle will come in contact with a pothole or other road surface deformity. System Preservation & Efficiency: Resurfacing this roadway serves as a preservation tool.
2021	NHPP	ENG	Patrick Street Br	System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2022	NHPP	CON	Ruth - Davis Creek	Safety and Security: Resurfacing the roadway will provide drivers greater control of their vehicles by reducing the likelihood their vehicle will come in contact with a pothole or other road surface deformity. System Preservation & Efficiency: Resurfacing this roadway serves as a preservation tool.
2028	STP	CON	Rocky Fork Channel Beam	System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2023	NHPP	CON	Co 53 Op-Clendenin	Mobility and Accessibility: Curbs ramps allow for use by pedestrians in need of accessibility accommodations. Safety and Security: Allows for the safe exit or entry of the sidewalk. System Preservation & Efficiency: Preserves existing infrastructure by upgrading to comply with ADA standards.
2021	NHPP	CON	35Th Street E +1	Mobility and Accessibility: Curbs ramps allow for use by pedestrians in need of accessibility accommodations. Safety and Security: Allows for the safe exit or entry of the sidewalk. System Preservation & Efficiency: Preserves existing infrastructure by upgrading to comply with ADA standards.
2025	NHPP	CON	Big Tyler Rd	Mobility and Accessibility: Curbs ramps allow for use by pedestrians in need of accessibility accommodations. Safety and Security: Allows for the safe exit or entry of the sidewalk. System Preservation & Efficiency: Preserves existing infrastructure by upgrading to comply with ADA standards.
2021	NHPP	CON	Bigley Ave South & North	Mobility and Accessibility: Curbs ramps allow for use by pedestrians in need of accessibility accommodations. Safety and Security: Allows for the safe exit or entry of the sidewalk. System Preservation & Efficiency: Preserves existing infrastructure by upgrading to comply with ADA standards.

Kanawha County Justifications

2022	STP	CON	Clendenin St +1	Mobility and Accessibility: Curbs ramps allow for use by pedestrians in need of accessibility accommodations. Safety and Security: Allows for the safe exit or entry of the sidewalk. System Preservation & Efficiency: Preserves existing infrastructure by upgrading to comply with ADA standards.
2022	NHPP	CON	Dunbar Ave	Mobility and Accessibility: Curbs ramps allow for use by pedestrians in need of accessibility accommodations. Safety and Security: Allows for the safe exit or entry of the sidewalk. System Preservation & Efficiency: Preserves existing infrastructure by upgrading to comply with ADA standards.
2022, 2021	TAP	CON, ENG	Grosscup Ave Sidewalks	Mobility and Accessibility: Curbs ramps allow for use by pedestrians in need of accessibility accommodations. Safety and Security: Allows for the safe exit or entry of the sidewalk. System Preservation & Efficiency: Preserves existing infrastructure by upgrading to comply with ADA standards.
2024	NHPP	CON	Iowa Street +5	Mobility and Accessibility: Curbs ramps allow for use by pedestrians in need of accessibility accommodations. Safety and Security: Allows for the safe exit or entry of the sidewalk. System Preservation & Efficiency: Preserves existing infrastructure by upgrading to comply with ADA standards.
2025	NHPP	CON	Kanawha Turnpike +2	Mobility and Accessibility: Curbs ramps allow for use by pedestrians in need of accessibility accommodations. Safety and Security: Allows for the safe exit or entry of the sidewalk. System Preservation & Efficiency: Preserves existing infrastructure by upgrading to comply with ADA standards.
2024	STP	CON	Lee Street	Mobility and Accessibility: Curbs ramps allow for use by pedestrians in need of accessibility accommodations. Safety and Security: Allows for the safe exit or entry of the sidewalk. System Preservation & Efficiency: Preserves existing infrastructure by upgrading to comply with ADA standards.
2025	NHPP	CON	Maccorkle Avenue +1	Mobility and Accessibility: Curbs ramps allow for use by pedestrians in need of accessibility accommodations. Safety and Security: Allows for the safe exit or entry of the sidewalk. System Preservation & Efficiency: Preserves existing infrastructure by upgrading to comply with ADA standards.
2021	NHPP	CON	Maccorkle Avenue Se +1	Mobility and Accessibility: Curbs ramps allow for use by pedestrians in need of accessibility accommodations. Safety and Security: Allows for the safe exit or entry of the sidewalk. System Preservation & Efficiency: Preserves existing infrastructure by upgrading to comply with ADA standards.
2021	STP	CON	Pennsylvania Ave North & South	Mobility and Accessibility: Curbs ramps allow for use by pedestrians in need of accessibility accommodations. Safety and Security: Allows for the safe exit or entry of the sidewalk. System Preservation & Efficiency: Preserves existing infrastructure by upgrading to comply with ADA standards.
2020	OTHER	CON	White Oak Drive Bridge (GO Bond 2/3)	System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2020	OTHER	CON	Limestone Rd (GO Bond 2/3)	Safety and Security: Resurfacing the roadway will provide drivers greater control of their vehicles by reducing the likelihood their vehicle will come in contact with a pothole or other road surface deformity. System Preservation & Efficiency: Resurfacing this roadway serves as a preservation tool.
2021	TAP	CON	Nitro 2nd Ave Streetscape	Safety and Security: Creates safe refuge for pedestrians. Mobility and Accessibility: Creates a new mobility option and accessible pedestrain connection for persons with disabilities.
2021	STP	CON	Sissonville Drive +2	Mobility and Accessibility: Curbs ramps allow for use by pedestrians in need of accessibility accommodations. Safety and Security: Allows for the safe exit or entry of the sidewalk. System Preservation & Efficiency: Preserves existing infrastructure by upgrading to comply with ADA standards.
2024	STP	CON	Washington Street +2	Mobility and Accessibility: Curbs ramps allow for use by pedestrians in need of accessibility accommodations. Safety and Security: Allows for the safe exit or entry of the sidewalk. System Preservation & Efficiency: Preserves existing infrastructure by upgrading to comply with ADA standards.
2024	STP	CON	Washington Street E +1	Mobility and Accessibility: Curbs ramps allow for use by pedestrians in need of accessibility accommodations. Safety and Security: Allows for the safe exit or entry of the sidewalk. System Preservation & Efficiency: Preserves existing infrastructure by upgrading to comply with ADA standards.
2022	STP	CON	West Montgomery - East Bank +1	Mobility and Accessibility: Curbs ramps allow for use by pedestrians in need of accessibility accommodations. Safety and Security: Allows for the safe exit or entry of the sidewalk. System Preservation & Efficiency: Preserves existing infrastructure by upgrading to comply with ADA standards.
2022	NHPP	CON	MacCorkle Ave - Oakwood	Safety and Security: Improves safety for motor vehicle travelers by installing new roadway surfaces, reducing the likelihood of the formation of roadway deformities that could cause a motor vehicle crash via roadway departure. System Preservation & Efficiency: Resurfaces to ensure system preservation.
2021	STP	CON	Washington St E	Safety and Security: Resurfacing the roadway will provide drivers greater control of their vehicles by reducing the likelihood their vehicle will come in contact with a pothole or other road surface deformity. System Preservation & Efficiency: Resurfacing this roadway serves as a preservation tool.
2024	NHPP	CON	Glasgow - Hugheston Rd	Safety and Security: Resurfacing the roadway will provide drivers greater control of their vehicles by reducing the likelihood their vehicle will come in contact with a pothole or other road surface deformity. System Preservation & Efficiency: Resurfacing this roadway serves as a preservation tool.
2020	OTHER	CON	Lower Fields Creek Br (Tpk Bond)	System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2020	OTHER	CON	Middle Fork Rd (Go Bond 2/3)	Safety and Security: Prevents rockslides.
2022	NHPP	CON	35Th St - 56Th St	Safety and Security: Resurfacing the roadway will provide drivers greater control of their vehicles by reducing the likelihood their vehicle will come in contact with a pothole or other road surface deformity. System Preservation & Efficiency: Resurfacing this roadway serves as a preservation tool.
2024	STP	CON	Tyler Mountain Rd	Safety and Security: Resurfacing the roadway will provide drivers greater control of their vehicles by reducing the likelihood their vehicle will come in contact with a pothole or other road surface deformity. System Preservation & Efficiency: Resurfacing this roadway serves as a preservation tool.
2020	NHPP	ENG	Cross Lanes I/C Lighting +1	Safety and Security: Reduces liklihood of nighttime vehicle crash. Mobility and Accessibility: Creates greater visibility for pedestrians.
2021	NHPP	CON	Cross Lanes I/C Lighting +1	Safety and Security: Reduces liklihood of nighttime vehicle crash. Mobility and Accessibility: Creates greater visibility for pedestrians.
2022	NHPP	ENG	I-77 Belle Ramp Over Piedmont & Rr	System Preservation & Efficiency: Preserves a critical element of the existing transportation network.

				PM1 - Safety				PM2 - Pavement and Bridge				PM3 - System Performance, Freight, Congestion and Air Quality				
				• Number of fatalities;				• Assess the condition of pavements on the Interstate System and on the Non-Interstate National Highway System (NHS)				• Assess the performance of the Interstate and Non-Interstate NHS.				
				• Number of serious injuries;				• Fatality rate per HMVMT;				• Assess freight movement on the Interstate System.				
				• Fatality rate per HMVMT;				• Serious injury rate per HMVMT;				• Assess traffic congestion and on-road mobile source emissions for carrying out the Congestion Mitigation and Air Quality Improvement Program (CMAQ).				
				• Number of non-motorized fatalities and serious injuries.				• Assess the condition of bridges carrying the Non-Interstate NHS.								

Putnam County Justifications

FFY	FUND	PHASE	NAME	GUIDING STATEMENT
2021	HSIP	CON	Grandview Ridge GDRL	Safety and Security:Installing the guardrail will reduce severity of a roadway departure, the number one killer of West Virginia motorists.
2021	STP-TMA	CON	Great Teays Boulevard Sidewalk	Mobility & Accessibility: Improves the accessibility of sidewalk conditions along a street that provides access to non-profit services and essential private services such as banking, internet, cell phone, grocery, and pharmacy. Safety & Security: Serves to separate and protect pedestrian travelers from motor vehicle traffic with wide and smooth surfaces.
2021	TAP	CON	Hometown Park/Valley Parks IMP 2012	Culture & Environment: Promotes cultural activities in the region through the installation of a new restroom facility at a family park. Economic Vitality: Draws economic activity to the region through investment in cultural activities.
2021	TAP-TMA	CON	Hurricane Main Street Sidewalks	Mobility & Accessibility: Improves the accessibility of sidewalk conditions along a street that provides access to churches, banking, and residential homes. Safety & Security: Serves to separate and protect pedestrian travelers from motor vehicle traffic with wide and smooth surfaces.
2021	NHPP	CON	Hurricane Rest Area (EB)	Economic Vitality: By supporting the movement of regional travelers. Safety & Security: Improves the safety of highway travel motorists by encouraging additional stops.
2021	NHPP	CON	Hurricane Rest Area (WB)	Economic Vitality: By supporting the movement of regional travelers. Safety & Security: Improves the safety of highway travel motorists by encouraging additional stops.
2021	STP-TMA	CON	Hurricane Sidewalks	Mobility & Accessibility: Improves the accessibility of sidewalk conditions. Safety & Security: Serves to separate and protect pedestrian travelers from motor vehicle traffic with wide and smooth surfaces.
2021	TAP	CON	Teays Valley Sidewalks 2015	Mobility & Accessibility: Improves accessibility of roadways by creating a public right of way. Safety & Security: Serves to separate and protect pedestrian travelers from motor vehicle traffic.
2021	NHPP	CON	Tuckers Branch Slide	System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2021	NHPP	CON	US35/164 I/C - Nitro I/C (D/B)(GO Bond)(AC Payback)	Economic Vitality: This project seeks to reduce travel times. System Preservation & Efficiency: This project seeks to optimize already existing infrastructure for motor vehicle use.
2022	NHPP	CON	US35/164 I/C - Nitro I/C (D/B)(GO Bond)(AC Payback)	Economic Vitality: This project seeks to reduce travel times. System Preservation & Efficiency: This project seeks to optimize already existing infrastructure for motor vehicle use.
2021	NRT	CON	Valley Park - County Park Trail Extensions 2013	Culture & Environment: Promotes cultural activities in the region through the construction of a new recreational trail. Economic Vitality: Draws economic activity to the region through the expansion of cultural activities. Land Use & Transportation Integration: Invests in recreation with minimal land use.
2022	TAP	CON	Winfield Downtown Streetcape	Economic Vitality: Improves walkability in a business and government services hotspot. Mobility & Accessibility: Improves accessibility of roadways by creating a public right of way. Safety & Security: Serves to separate and protect pedestrian travelers from motor vehicle traffic.
2021	STP-TMA	ROW	Great Teays Blvd Sidewalk	Mobility & Accessibility: Adds infrastructure for improved walkability for pedestrians including persons with disabilities. Safety & Security: Serves to separate and protect pedestrian travelers from motor vehicle traffic. Culture & Environment: Promotes pollution-free travel.
2024	STP	ENG ROW CON	Hurricane Ceek Bridge	System Preservation & Efficiency: Preserves a critical element of the existing transportation network.
2025	STP	CON	Bancroft Rd +1	Mobility and Accessibility: Curbs ramps allow for use by pedestrians in need of accessibility accommodations. Safety and Security: Allows for the safe exit or entry of the sidewalk. System Preservation & Efficiency: Preserves existing infrastructure by upgrading to comply with ADA standards.
2023	STP	CON	Buffalo Rd	Mobility and Accessibility: Curbs ramps allow for use by pedestrians in need of accessibility accommodations. Safety and Security: Allows for the safe exit or entry of the sidewalk. System Preservation & Efficiency: Preserves existing infrastructure by upgrading to comply with ADA standards.
2025	STP	CON	Hurricane Creek Rd +3	Mobility and Accessibility: Curbs ramps allow for use by pedestrians in need of accessibility accommodations. Safety and Security: Allows for the safe exit or entry of the sidewalk. System Preservation & Efficiency: Preserves existing infrastructure by upgrading to comply with ADA standards.
2025	STP	CON	Main Street	Mobility and Accessibility: Curbs ramps allow for use by pedestrians in need of accessibility accommodations. Safety and Security: Allows for the safe exit or entry of the sidewalk. System Preservation & Efficiency: Preserves existing infrastructure by upgrading to comply with ADA standards.
2025	NHPP	CON	Teays Valley Rd	Mobility and Accessibility: Curbs ramps allow for use by pedestrians in need of accessibility accommodations. Safety and Security: Allows for the safe exit or entry of the sidewalk. System Preservation & Efficiency: Preserves existing infrastructure by upgrading to comply with ADA standards.
2023	STP	CON	Winfield Rd	Mobility and Accessibility: Curbs ramps allow for use by pedestrians in need of accessibility accommodations. Safety and Security: Allows for the safe exit or entry of the sidewalk. System Preservation & Efficiency: Preserves existing infrastructure by upgrading to comply with ADA standards.
2023	STP	CON	Fat Katz Lake Rd	Safety and Security: Resurfacing the roadway will provide drivers greater control of their vehicles by reducing the likelihood their vehicle will come in contact with a pothole or other road surface deformity. System Preservation & Efficiency: Resurfacing this roadway serves as a preservation tool.
2021	STP	CON	Midland Trail	Safety and Security: Resurfacing the roadway will provide drivers greater control of their vehicles by reducing the likelihood their vehicle will come in contact with a pothole or other road surface deformity. System Preservation & Efficiency: Resurfacing this roadway serves as a preservation tool.
2023	STP	CON	Hurricane Rd	Safety and Security: Resurfacing the roadway will provide drivers greater control of their vehicles by reducing the likelihood their vehicle will come in contact with a pothole or other road surface deformity. System Preservation & Efficiency: Resurfacing this roadway serves as a preservation tool.
2023	NHPP	CON	US 35	Safety and Security: Resurfacing the roadway will provide drivers greater control of their vehicles by reducing the likelihood their vehicle will come in contact with a pothole or other road surface deformity. System Preservation & Efficiency: Resurfacing this roadway serves as a preservation tool.
2022	STP	CON	Buffalo Rd	Safety and Security: Resurfacing the roadway will provide drivers greater control of their vehicles by reducing the likelihood their vehicle will come in contact with a pothole or other road surface deformity. System Preservation & Efficiency: Resurfacing this roadway serves as a preservation tool.

PERFORMANCE MEASURES**

- PM1 - Safety PM2 - Pavement and Bridge
- Number of fatalities
 - Assess the condition of pavements on the Interstate System and on the Non-Interstate
 - Fatality rate per National Highway System (NHS)
 - Serious injury rate
 - Assess the condition of bridges carrying
 - Number of non-fatalities on the Non-Interstate NHS.
 - and serious injuries.

- PM3 - System Performance, Freight, Congestion and Air Quality
- Assess the performance of the Interstate and Non-Interstate NHS.
 - Assess freight movement on the Interstate System.
 - Assess traffic congestion and on-road mobile source emissions for carrying out the Congestion Mitigation and Air Quality Improvement Program (CMAQ).

Statewide Adjustment Justifications

FFY	FUND	PHASE	NAME	GUIDING STATEMENT
2022	STP/NHPP	CON	I-64 Signing Hurricane-Dunbar (Split Fund)	Safety and Security: Updates signage to improve safety of travelers using the highway to provide them with up-to-date and compliant roadway information regarding roadway safety and points of interests.
2020	HSIP	CON	Greenbrier St & Kanawha Blvd	Safety and Security: Updates signage to improve safety of pedestrians using the pedestrian infrastructure. Culture & Environment: Updates pedestrian infrastructure that connects pedestrians with the West Virginia State Capitol Complex and other key cultural amenities.
